

# Procedures of how to start using eSims Testing Environment

1. Visit eBean Century's Web Site (<http://www.ebean.com.hk/>)
2. Click the eSims Icon (with Red Circle)

3. You will then see a security message similar to the one like this:

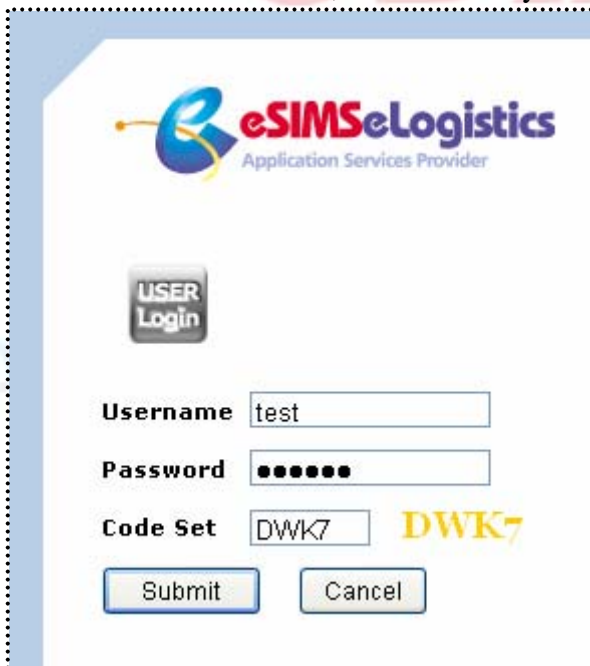

4. Clicking “Yes” will bring you the eSims Login Page:

5. Enter the username and password as below:

- Username: **test**
- Password: **123456**

6. Enter the Code Set – the 4 letter code that are yellow in color – example as shown below. The Code set is case-sensitive, so make sure you enter the Code Set with the correct case.

7. Click “Submit” to continue.

8. You will then see the main screen similar to the one as shown below:

You are login as Test  
District TST  
Current Date: 11/10/2007  
Version 3.0
